

Scott M. Schulze, M.D.

Board Certified in Surgery and Hand Surgery

Welcome to Orthopaedic Associates of Southern Delaware

I am board certified and fellowship trained in hand and upper extremity surgery, and I specialize in injury and diseases from the elbow to the fingertips. In addition, I also specialize in the treatment and management of burns. I am the only fellowship-trained hand and upper extremity surgeon offering wrist replacement surgery on the Eastern Shore.

I settled in the Lewes area, where I have been practicing since 2008. I specialize in the treatment of nerve compression and peripheral nerve injuries, tendon injuries, management of arthritis, fractures, tendon injuries and disease, sports-related injuries, microvascular surgery, and all facets of upper extremity pathology.

In addition to working with patients, I have authored textbook chapters and peer-reviewed journal articles in the fields of general surgery, hand surgery, and microvascular reconstruction. I have presented research at regional, national and international conferences, and I was named a Top Doc by Delaware Today magazine for hand surgery.

I am dedicated to helping my patients. Please let me know how I can be of service.

Sincerely,

A handwritten signature in black ink, appearing to read 'MS' or similar initials, written in a cursive style.

Dr. Scott Schulze

What to Expect:

Thank you for your patience and understanding while filling out our forms. Giving us complete and accurate information will allow us to provide you with the best possible care. We also appreciate your patience to see a physician. In certain cases, our patients require special and/or immediate attention; such as your physician being asked to assess a serious injury. Our goal at Orthopaedic Associates of Southern Delaware is to address your needs as soon as possible and in an individualized manner. We want to make sure you get the care you need and want. If you require immediate attention, please inform our front desk so that we may expedite your request. Thank you.
